_____ Cell phones or any form of electronics that resemble a cell phone will not be permitted during any class. This includes the use of earbuds/headphones unless specifically allowed by the teacher.

_____ Earbuds/headphones may be used during study hall for concentration purposes or listening to music. However no music can be generated by any cell phone, or device that can be utilized as a "phone".

_____ All cell phones must be silenced and placed in a Yondr cell phone pouch for the day, no exceptions.

_____ If a student needs to contact someone, they must be excused to go to the office for assistance. Cell phones are not to be used to call home due to illness. The office personnel will call the parent/guardian for permission to release student if needed.

_____ If anyone needs to reach a student, they should be directed to call the school. Office personnel can then relay a message or pull the student from class if needed.

_____ Cell phone use is permitted during the lunch period and the end of the school day only.

_____ Failure to adhere to this policy will result in revocation of the student's cell phone by the teacher and submitted to the office for safekeeping until a parent comes to retrieve it and may result in disciplinary action.

I have read and understand the **Cell Phone Use Agreement** and agree to abide by its terms. I further understand that violation of this policy may result in my loss of the privilege to carry a cell phone or any electronics that resemble a cell phone at school, and school discipline (suspension or expulsion for repeat offenses) being taken against me.
