Curriculum Ordering

Instructions: You may order up to 6 different curriculums (or choose from all the content areas). There will be no charge, except for consumable items (marked with an * in the list below). Consumable items will be paid for at the end of the year when books are returned after they have been consumed. Families with Kindergarten, 1st, or 2nd-grade students will be allowed two free consumables per student. Books must be returned before the school year has ended unless specifically checked out for the summer.

I understand that if I lose or damage the curriculum that I have signed out or use a consumable book, I will have to pay for the replacement. CDs will be replaced in full sets and in the condition they were issued.
